Knorr-Bremse to co-sponsor the BMW Open 2007

From April 28 to May 6, 2007, visitors to the Iphitos tennis club in Munich will once again savor a center-court atmosphere rich in international flair as the club hosts the 92nd BMW Open tournament. The top names gracing the courts with their presence will include Tommy Haas, Benjamin Becker and Florian Mayer as well as international top players like last year's winner Olivier Rochus.

In keeping with a long tradition, this year Knorr-Bremse will once again be among the co-sponsors of this international tennis tournament. The company's presence as a sponsor will include its logo being featured on four corner displays on court, in full view of the TV cameras. The Knorr-Bremse logo will also appear on the sponsors' board at the club, in the daily tournament newsletter, and in the BMW Open Magazine published by the "Süddeutsche Zeitung" newspaper.

At the BMW Open it's not just game, set and match that count but also the close contact with the players and the wonderful courtside atmosphere which has now been lent extra charm by the new Iphitos Park.
